Brand Taglines

The following taglines are crafted to be memorable, SEO-friendly, and reflective of Fix and Glaze's core value proposition. They are suitable for use in the website hero section, business cards, signage, social media bios, and Google Business profiles. Select one as your primary tagline or rotate them across campaigns.

EXISTING TAGLINE (FROM FLYER)

"Repair. Replace. Refresh."

Short, rhythmic, and action-driven — this existing tagline is strong. Recommended to keep as the primary brand tagline.

NEW TAGLINE SUGGESTIONS

"Clear Solutions for Every Pane."

A wordplay on "pane" (glass panel) and "pain" (problem). Communicates expertise in all glass types — windows, doors, shower screens, and more.

"Where Clarity Meets Craftsmanship."

Premium feel. Works well for both residential and commercial clients. Highlights quality workmanship and attention to detail.

"Your View, Perfected."

Short, aspirational, and residential-friendly. Great for social media and hero sections.

"Glass It Done Right — The First Time."

Speaks to reliability and professionalism. Appeals to clients burned by poor previous work.

"From Broken to Beautiful."

Emotionally engaging. Works brilliantly for before/after project showcases and social media posts.

"Transparent Pricing. Crystal Clear Results."

Two-part tagline that addresses two common pain points: unclear quotes and poor results.

"Strength Behind Every Pane."

Emphasises durability and security. Well-suited for commercial and safety-glass services.

"See the Difference. Feel the Quality."

Sensory and confidence-building. Great for showcase pages and video thumbnails.

"We Fix It. You Love It."

Casual, confident, and conversational. Ideal for social media ads and local flyers.

"Glazing Excellence, Every Time."

Professional and technical. Positions Fix and Glaze as the specialist in the glazing trade.

PAGE INTRODUCTION

PAGE HEADLINE (H1)

Expert Glass & Glazing Services — Residential & Commercial

INTRO PARAGRAPH

At Fix and Glaze, we offer a comprehensive range of glass, window, and door services for residential and commercial properties. From a simple cracked pane to a full commercial shopfront installation, our experienced glaziers deliver quality results using the best materials and techniques. All work is quoted upfront, completed efficiently, and backed by our satisfaction guarantee.

SERVICE 1: Window Installation & Replacement

H2 HEADING

Window Installation & Replacement — Aluminium, uPVC & Timber

New windows are one of the most impactful upgrades you can make to a property. They improve energy efficiency, boost security, reduce outside noise, and dramatically enhance kerb appeal. Fix and Glaze supplies and installs quality window frames in three primary materials:

ALUMINIUM WINDOWS

Aluminium frames are the go-to choice for modern homes and commercial buildings. Lightweight, durable, and low-maintenance, aluminium windows offer slim sightlines, excellent weather resistance, and a sleek contemporary look. Available in a range of powder-coat colours to match any design aesthetic.

UPVC WINDOWS

uPVC (unplasticised polyvinyl chloride) windows are an excellent choice for energy performance and budget-conscious projects. They provide outstanding thermal insulation, require minimal upkeep, and are highly resistant to moisture and corrosion — ideal for areas exposed to the elements.

TIMBER WINDOWS

For heritage homes, period properties, or clients who simply love the warmth of natural materials, timber window frames offer timeless beauty. We source quality hardwood and softwood frames that can be painted or stained to your preference, with modern weatherproofing built in.

WHAT'S INCLUDED

- Free site measure and quote
- Supply and installation of frames and glass
- Removal and disposal of existing windows
- Weatherproofing, sealing, and finishing
- Post-installation clean-up

Ideal for: New builds, renovations, investment properties, energy upgrades, and heritage restorations.

SERVICE 2: Glass Installation & Glazing

H2 HEADING

Professional Glass Installation for Windows, Doors, Screens & More

Glass is at the heart of everything we do. Fix and Glaze installs glass panels in a wide variety of applications, using the right glass type for each job — from standard float glass to toughened safety glass, frosted glass, and more.

GLASS TYPES WE WORK WITH

- Clear float glass — standard glazing for windows and interior panels
- Toughened (tempered) safety glass — required by code for doors, showers, and low windows

- Laminated glass — enhanced security and UV protection
- Frosted / obscure glass — privacy for bathrooms, entry panels, and office partitions
- Double-glazed units (IGUs) — superior thermal and acoustic insulation
- Wired glass and fire-rated glass — for commercial compliance requirements

GLAZING APPLICATIONS

- Residential window panes — single, double-glazed, and heritage
- Shower screens and enclosures — frameless, semi-frameless, and framed
- Glass doors — internal and external
- Partition walls and office glass — commercial interiors
- Glass splashbacks — kitchens and bathrooms
- Shopfront and commercial facades

Not sure what glass you need? We'll assess the application and recommend the right product — no jargon, just clear advice.

SERVICE 3: Door Installation & Fitting

H2 HEADING

Door Installation for Interior & Exterior Applications

A well-fitted door does more than just open and close — it contributes to your property's security, energy efficiency, acoustic performance, and visual appeal. Fix and Glaze installs interior and exterior doors across all frame types.

DOOR TYPES WE INSTALL

- Hinged entry doors — single and double, timber, aluminium, or composite
- Sliding glass doors — bifold, stacking, and single-track aluminium systems
- Screen and security doors — for added protection and airflow
- Internal room doors — in timber and glass combinations
- Commercial glass doors — frameless pivot, swing, and automatic door systems
- Shopfront doors — aluminium framed, roller, and security configurations

OUR DOOR INSTALLATION PROCESS

Step 1: We measure the opening accurately and confirm frame compatibility. Step 2: We source the right door and hardware to match your specifications and budget. Step 3: Our installer fits the door plumb and true, adjusts all hardware, and ensures smooth, rattle-free operation. Step 4: We seal and finish the installation and walk you through the result.

Residential and commercial door installations carried out by experienced, licensed tradespeople.

SERVICE 4: Glass Repair

H2 HEADING

Fast, Professional Glass Repair — Windows, Doors & More

Cracked, chipped, or shattered glass is not just an eyesore — it's a safety and security risk. Fix and Glaze responds promptly to glass repair requests for both residential and commercial properties, replacing damaged panes quickly and cost-effectively.

COMMON REPAIRS WE HANDLE

- Cracked or smashed window panes
- Broken sliding door glass
- Damaged shower screen panels
- Broken glass panels in doors and frames
- Fogged or failed double-glazed units
- Commercial shopfront glass damage

EMERGENCY GLASS REPAIR

We understand that some glass damage can't wait. For urgent situations — break-ins, storm damage, or accidental breakage — contact Fix and Glaze immediately. We'll work to get a technician to your property as quickly as possible to assess and repair the damage, or install a temporary board-up if required.

Don't leave your home or business exposed. Call us now for urgent glass repair assistance.

SERVICE 5: Commercial Glazing

H 2 H E A D I N G

Commercial Glass & Glazing for Businesses of All Sizes

Fix and Glaze works with building managers, developers, retailers, and property investors to deliver professional commercial glazing solutions. We handle projects of all scales — from small retail fitouts to large commercial buildings — with the same attention to detail we bring to every job.

C O M M E R C I A L G L A Z I N G S E R V I C E S

- Shopfront glass installation and repair
- Office partitions and glass walls
- Commercial door systems — automatic, pivot, and swing
- Safety glazing compliance upgrades
- High-rise and multi-residential glazing projects
- Glass balustrades and handrail systems
- Security glass and forced-entry resistant glazing

W H Y C H O O S E F I X A N D G L A Z E F O R C O M M E R C I A L P R O J E C T S

We understand that commercial clients have tight timelines and zero tolerance for disruption. Our team works efficiently, communicates clearly, and can schedule works outside business hours where required. We carry full insurance and documentation for all commercial engagements.

Request a commercial project consultation — we'll assess your needs and provide a detailed scope and quote.

SEO PAGE TITLE

About Fix and Glaze | Trusted Glazing Specialists | Our Story & Values

META DESCRIPTION

Learn about Fix and Glaze — a dedicated glazing contractor offering professional window, door, and glass installation and repair. Honest, reliable, and built on a foundation of quality craftsmanship.

PAGE HEADLINE (H1)

About Fix and Glaze — Expert Glazing, Exceptional Service

OUR STORY

H2 HEADING

Built on a Passion for Precision

Fix and Glaze was founded with one straightforward goal: to provide homeowners and businesses with a glazing service they could genuinely rely on. Too often, clients tell us about past experiences with tradespeople who showed up late, quoted one price and charged another, or left a job half-finished. We set out to be different.

From our very first job, we committed to three non-negotiables: showing up when we said we would, doing the work to the highest standard, and charging a fair price that we quote upfront. That commitment hasn't changed — and it's why our customers keep calling us back and recommending us to their friends, family, and colleagues.

Today, Fix and Glaze serves both residential and commercial clients, handling everything from emergency glass repairs to complete window and door installations. We work with all major frame materials — UPVC, aluminium, and timber — and all glass types, giving our customers a single, trusted point of contact for every glazing need.

OUR MISSION

H2 HEADING

Our Mission: Clear Results, Every Time

Our mission is simple: to deliver professional, reliable glass and glazing services that enhance the safety, functionality, and beauty of our customers' properties — while making the entire experience as easy and stress-free as possible.

We believe every customer deserves a glazier who is honest about what's needed, skilled enough to do it well, and professional enough to leave the place in perfect order when the job is done.

OUR VALUES

H 2 H E A D I N G

What We Stand For

Q U A L I T Y F I R S T

We never cut corners. From the glass we source to the way we seal and finish every installation, quality is at the heart of every job we take on.

H O N E S T & T R A N S P A R E N T

We tell you what we find, what we recommend, and what it will cost — before we start. No hidden fees, no after-the-fact surprises.

C U S T O M E R - F O C U S E D

Your satisfaction isn't just our goal — it's our measure of success. We listen, we adapt, and we go the extra mile to make sure you're happy with the outcome.

R E L I A B L E & P U N C T U A L

Your time is valuable. We honour our appointments, communicate proactively, and keep you informed at every step of the job.

S A F E & C O M P L I A N T

All of our installations meet relevant safety codes and glazing standards. We take the wellbeing of your household or workforce seriously.

WHY CHOOSE FIX AND GLAZE?

H 2 H E A D I N G

The Fix and Glaze Difference

- Experienced glaziers with hands-on expertise across residential and commercial projects

- Specialists in UPVC, aluminium, and timber window and door systems
- All glass types — float, toughened, laminated, double-glazed, frosted, and more
- Free, itemised quotes with no obligation
- Clean, tidy installations — we clean up after every job
- Prompt response for urgent and emergency repairs
- Honest advice — we'll tell you what you actually need, not what's most expensive

PROJECT SHOWCASE COPY TEMPLATES

Use the following copy templates for individual project entries in the portfolio. Replace bracketed information with project-specific details.

TEMPLATE 1 — RESIDENTIAL WINDOW INSTALLATION

[Location] | Residential Window Replacement

Client: Homeowner | Service: Full window replacement — [X] windows | Material: [Aluminium / uPVC / Timber]

[Client name or "The homeowner"] approached Fix and Glaze to replace ageing [material] windows across their [X]-bedroom home. The existing frames were draughty, difficult to operate, and impacting the home's thermal performance. We measured each opening, sourced matching [material] frames in [colour/finish], and completed the full installation over [X] days with minimal disruption to the household. The result? A noticeably warmer, quieter, and more secure home — and a very happy client.

TEMPLATE 2 — COMMERCIAL SHOPFRONT

[Location] | Commercial Shopfront Glass Installation

Client: [Business type] | Service: Shopfront glass installation | Frame: Aluminium

Fix and Glaze was engaged to supply and install the glazed shopfront for a new [business type] in [suburb]. Working to a specific build timeline, our team completed the full installation on schedule — including frameless glass panels, aluminium framing, and a [swing/sliding] entry door system. The finished result presents beautifully and meets all commercial glazing compliance requirements.

TEMPLATE 3 — SHOWER SCREEN

[Location] | Frameless Shower Screen Installation

Client: Homeowner | Service: Frameless shower screen supply & installation

This bathroom renovation in [suburb] called for a [frameless / semi-frameless] shower screen to replace an outdated curtain and rail setup. Fix and Glaze supplied and installed a [X]mm toughened glass screen with [chrome / matte black / brushed nickel] fittings, transforming the bathroom into a modern, easy-to-clean space. The client was particularly pleased with how much larger and brighter the bathroom looks with the new glass screen in place.

TEMPLATE 4 — EMERGENCY GLASS REPAIR

[Location] | Emergency Window Repair

Client: Residential homeowner | Service: Emergency glass replacement

When this [suburb] homeowner's window was [smashed during a break-in / damaged in a storm / accidentally broken], they needed a fast, reliable response. Fix and Glaze attended within [X hours], assessed the damage, and replaced the glass the same day. A temporary board-up was installed immediately while we sourced the replacement pane, ensuring the property was secure overnight. The final repair was clean, properly sealed, and indistinguishable from the original.

FAQ SECTION

H 2 H E A D I N G

Frequently Asked Questions

Q 1

How do I get a quote?

Simply call us on 0432 800 802 or fill out the contact form above. We'll gather the details of your project and arrange a time to provide a free, no-obligation measure and quote.

Q 2

Do you offer emergency glass repair?

Yes. If you have urgent glass damage — from a break-in, accident, or storm — contact us as soon as possible. We'll do our best to attend promptly and make your property safe and secure.

Q 3

How long does a glass replacement take?

Simple glass replacements can often be completed on the same day or within 24–48 hours, subject to glass availability. More complex installations are discussed and scheduled at the time of quoting.

Q 4

Do you work on both residential and commercial properties?

Absolutely. Fix and Glaze works across residential homes, rental properties, apartments, retail shops, offices, and commercial buildings of all types.

Q 5

What frame materials do you work with?

We work with all major window and door frame materials — aluminium, uPVC (UPVC), and timber — across a full range of window and door styles.

Q 6

Are your glaziers licensed and insured?

Yes. Fix and Glaze carries appropriate insurance and our work meets relevant building codes and glazing standards. We're happy to provide documentation on request for commercial or strata projects.

Privacy Policy | Fix and Glaze

LAST UPDATED

This Privacy Policy was last updated on [Date].

INTRODUCTION

1. Introduction

Fix and Glaze ("we", "our", or "us") is committed to protecting the privacy of all individuals who interact with our website and services. This Privacy Policy explains how we collect, use, disclose, and safeguard your personal information in accordance with applicable Australian privacy laws, including the Privacy Act 1988 (Cth) and the Australian Privacy Principles (APPs).

By using our website or contacting us, you consent to the practices described in this policy.

INFORMATION WE COLLECT

2. Information We Collect

We may collect the following types of personal information:

- Contact details — name, phone number, email address, and property address
- Project details — descriptions of work requested, photos submitted via the website or email
- Website usage data — IP address, browser type, pages visited, and time spent on our site (collected via cookies and analytics tools)
- Communications — records of enquiries, quotes, and correspondence

HOW WE USE YOUR INFORMATION

3. How We Use Your Information

We use your personal information to:

- Respond to your enquiries and provide quotes
- Schedule and complete service appointments

- Process payments and maintain service records
- Improve our website and services through analytics
- Send service updates, appointment reminders, or follow-up communications (you may opt out at any time)
- Comply with legal or regulatory obligations

We will not use your information for any purpose that you would not reasonably expect.

DISCLOSURE OF INFORMATION

4. Disclosure of Your Information

We do not sell, trade, or rent your personal information to third parties. We may share your information only in the following circumstances:

- With trusted service providers (e.g., scheduling software, payment processors) who assist in delivering our services — these parties are required to maintain confidentiality
- Where required by law, court order, or government authority
- In connection with a business transfer or merger, where the receiving party agrees to honour this policy

DATA SECURITY

5. Data Security

We take reasonable steps to protect your personal information from misuse, loss, unauthorised access, modification, or disclosure. Our website uses SSL encryption for data transmission, and we restrict access to personal information to authorised personnel only. However, no method of transmission over the internet is completely secure, and we cannot guarantee absolute security.

COOKIES

6. Cookies & Tracking Technologies

Our website may use cookies and similar tracking technologies to enhance your browsing experience and gather analytics data. You can control cookie preferences through your browser settings. Disabling cookies may affect the functionality of certain parts of our website.

We may use Google Analytics or similar tools to understand how visitors use our site. This data is anonymised and does not identify individual users.

A C C E S S A N D C O R R E C T I O N

7. Accessing and Correcting Your Information

You have the right to request access to the personal information we hold about you and to request correction of any inaccuracies. To make such a request, please contact us at francis.antonio@rocketmail.com. We will respond to all requests within a reasonable timeframe.

SEO Implementation Notes for Developer

The following guidance should be implemented by the web developer to maximise the SEO performance of the Fix and Glaze website.

Schema Markup (Structured Data)

Implement LocalBusiness schema on the homepage and contact page using JSON-LD, including: business name, telephone, email, URL, address, geo coordinates, service area, opening hours, and priceRange. Add Service schema on each service sub-page. Add BreadcrumbList schema across all pages.

Google Business Profile

Set up and fully optimise a Google Business Profile (formerly Google My Business) for Fix and Glaze. Upload project photos regularly, encourage customer reviews, and ensure NAP (name, address, phone) is consistent across all platforms.

Page Speed & Core Web Vitals

Compress all images to WebP format. Use lazy loading for the portfolio gallery. Minimise render-blocking CSS/JS. Aim for a Google PageSpeed Insights score of 90+ on mobile.

Local SEO Keywords to Target

- Glass repair [suburb/city]
- Window installation [suburb/city]
- Glazier near me
- Aluminium windows [suburb]
- UPVC windows [suburb]
- Shower screen installation [suburb]
- Door installation [suburb]
- Emergency glass repair [suburb]
- Commercial glazing [suburb]

- Glass replacement [suburb]

Image Alt Text Convention

Use the format: "[Service description] by Fix and Glaze in [suburb/region]" for all project and service images. Example: "Aluminium window installation by Fix and Glaze in [Suburb]."

Content Updates (Ongoing)

Add at least one new completed project to the portfolio monthly. Consider adding a blog/tips section over time with topics such as: "How to choose between aluminium and UPVC windows," "Signs your window seals need replacing," and "What to do if your shopfront glass is broken." This builds topical authority and captures long-tail search traffic.
